Dear Aris Elijah Pugal Foundation,

We want to take this opportunity to gratefully acknowledge your December, 2016 donation of \$1000 to the San Pasqual High School Music Boosters Association. Your generous contribution helps to ensure the Association continues its important mission and specifically to support Showtime, our co-ed show choir.

We believe that music performance has proven value in improving student academic achievement. Meaningful musical instruction requires breadth and depth of content, as well as varied performance opportunities. A program such as this allows each student to develop physically, mentally, emotionally and socially to achieve his/her greatest potential. Therefore, every student who desires such an experience should have the opportunity to participate in such a music program at San Pasqual High School.

The Association's ability to bring this important work depends upon the efforts of our students, parents and supporters, such as you. On behalf of the Students, Faculty, Staff and Association's Board of Directors, we thank you for contributing to the San Pasqual High School Music Boosters Association. Together, we can ensure that a first-class music program is available to all at San Pasqual High School.

Sincerely yours,

Jil Wiesner
SPHSMBA Treasurer
